

Welcome to our IPI Newsletter (July Edition 2009)

**IPI Seminar «Fillgoods»**  
**IPI Event «Packaging Market India»**  
**IPI Study Tour «Packaging in the US»**  
**Fachpack**  
**Brand owner study with EskoArtworks**  
**IPI Calendar**

**Register now for IPI Seminar «Fillgoods and Packing Processes»**

This IPI seminar delivers a comprehensive technological background about fillgoods and packing processes. Participants will learn about the requirements on packaging of different fillgoods like food, pharmaceuticals, cosmetics etc. This includes the comprehension of different fill technologies and production environments. The seminar will also contain an overview of relevant laws, regulatory issues and sustainability.

It is suitable for new employees in the packaging industry, specialists who want to broaden their knowledge and for employees with practical experience who are looking to upgrade and update their technological knowledge. Therefore this seminar is equally suitable for technical staff and engineers in production, R&D, supply chain management, product management and sales.

### **Fachpack 29th of September – 1st of October 2009**

30 years old – FachPack has grown up! Exactly the right mixture of three decades of market experience seasoned with smart young ideas is served by the successful Nürnberg packaging trio from 29 September to 1 October 2009: FachPack (packaging solutions) is giving a birthday party and together with PrintPack (package printing/packaging supplies production) and LogIntern (in-plant logistics) a good 1,300 exhibitors and 34,000 visitors are expected as guests.

Please reserve these dates in your calendar and visit Fachpack and IPI at booth 4-565

**[For further information about the exhibition click here](#)**

### **Brand Owner Survey with EskoArtwork**

EskoArtwork partnered with Adobe® and the International Packaging Institute (IPI) and conducted a remarkable survey of brand owners to gain an understanding of trends in packaging design. The survey results provide better insight into packaging trends that will assist both brand owners and suppliers to the industry in preparing to meet emerging market demands.

**More information about this survey:**
