New Location for IPI International Packaging Institute

A new office building will be built this summer at the current IPI location in Neuhausen am Rheinfall. Therefore IPI moves to the newly renovated property "Haberhaus" downtown Schaffhausen.

The new location with its combination of historic charm and modern appeal is an inspiring location for IPI's seminars and events.

Starting from May 10th the new address (phone numbers, email and website stay the same) is:

IPI International Packaging Institute

Neustadt 51
8200 Schaffhausen
Switzerland
